

## PERUANO 8 y.o.

*Appearance* Deep amber almost mahogany.

*Nose* Slight prickle at first, giving way to sweet molasses, exotic fruit and a pleasantly toasty finish.

*Palate* Lively and spicy, the glazed fruit and vanilla combine with the molasses in a rewarding sweet caress.

*Finish* Long, full with a subtle vein of liquorice root, melting away into coffee and chocolate flavours.

*Comment* Substance and lightness for a Rum that can compete head high with the more heralded names. Marries perfectly with a Montecristo no.4.
